OCTOBER/NOVEMBER 2019

COMING ATTRACTIONS!!!

We are thrilled to announce two great events in the next couple of months!

The first event is **live theater** brought to us by the local **Vagabond Players!!!**

Vagabond Players presents *The Best of Broadway* here at the **Village Club**. The Vagabond Players will be presenting a delightful performance of scenes and monologues about life in the theatre from several of our greatest Broadway comedies. Cross Keys resident, **Steve Goldklang**,

has gathered a troupe of some of Baltimore's finest actors, who will be bringing us a fast and funny evening at the Clubhouse. We'll also get the lowdown about the Vagabond's exciting 2019-20 Season at the home on 806 S, Broadway in Baltimore's Fells Point district.

Thursday, October 17 at 7:30 pm in the Village Club

Seating is limited—please RSVP to Marjie at 410-323-1257 or clubhouse@villagemanagement.net.

Hello and Welcome!

August and **September** were fantastic here in the Village! We were honored to speak to our own **Dr. Carla Hayden, the Librarian of Congress** and it was my privilege to interview her! We learned about how her mother's social work background informed her many decisions in offering social services in the various branches, and about her deciding to open the Pennsylvania Avenue Branch during the Freddie Gray unrest, as a safe haven for the children. We learned how **President Barack Obama** selected her to be the Librarian of Congress and the subsequent process of confirmation by the **U.S. Senate**. And we learned of some of the many, many treasures housed in the **Library of Congress**. It was a treat for everyone who attended!!! **Thank you, Dr. Carla Hayden** for being the first participant in our **Community Conversations!**

We also had our first **Writer's Conversation** with **James Cabezas**, author of **Eyes of Justice**. Mr. Cabezas is a retired Baltimore City Police Detective and then moved into investigating city corruption. He shed much light on Baltimore, past and present.

And finally, we were very sad when our **Aqua Fitness** classes came to an end for the summer. It was super fun and great exercise!! **Jon Kaplan** was a great instructor and we can't wait until next summer for more!!

Please be sure your vehicle displays a windshield sticker. Contact your management office to obtain individual Association labels. Also for residents, gates at the south end are closed at 5:45 pm. The center gate is closed at 7:00 pm. The gatehouse drop gates are closed at 10 pm daily. You must have a sticker on your car to enter the property after 10 pm or you will be stopped to identify yourself.

PARKING IN THE COMMERCIAL AREAS

The parking lots that surround the commercial areas in Cross Keys are owned and operated by VCK Realty. The lots are designated for customers and patrons that visit the offices and retail center. They do not permit overnight parking on any of their lots. Residents must obtain permission to park on their lots if they are not a customer or their tenants. Most lots have a four hour parking limit. Village Management can not give authority to utilize any of the parking lots. For more information contact VCK Realty at 410-323-1000.

PARKING IN THE CLUBHOUSE LOT

The clubhouse parking lot is the property of the Cross Keys Maintenance Corporation, not the property of any condominium in the Village. Residents of the Village can park in this lot only if they are using the clubhouse facilities, tennis court or the pool (in season). We appreciate your cooperation in this matter and remind those who violate this policy that their vehicle may be towed at the owner's expense.

RESIDENTIAL PARKING

All residents and their guests are asked to observe the “**assigned and reserved parking**” spaces in the associations. Parking in others’ “**assigned and reserved**” spaces could lead to that vehicle being towed at the owners expense.

Residents may not use any dumpsters located on the commercial property. The dumpsters are designated for certain items and are off limits to residents.

RECYCLING

Baltimore City does not accept styrofoam. Please do not include this with your recycling.

In November, we are proud to present **Award-Winning Baltimore Sun photojournalist, Amy Davis** as she introduces her gorgeous book, **Flickering Treasures: Rediscovering Baltimore's Forgotten Movie Theaters!!!** This book shows vintage photographs of the opulent downtown Baltimore movie palaces and eclectic neighborhood theaters, but it is also a socioeconomic study of Baltimore itself. Through Amy's **exquisite**

current photographs of the buildings, juxtaposed with the vintage ones, she weaves the societal changes that have occurred in the past five decades. A major 4,000 sq. ft. exhibition, inspired by the book, is on view at the **National Building Museum in Washington DC** through 2/17/20. But we are lucky to have her come here! Share your memories of your favorite movie houses when Amy comes to the **Village Club on Monday, November 18 at 6:30 pm.**

A book signing will follow the program. Great gift for the holidays!!
